

Delivery Policy

Printed Books

For deliveries within Australia only.

After ordering online, you will receive an email confirmation from eWAY containing your order details (if you have provided your email address). We will normally confirm receipt of your order within a few minutes of ordering.

A standard flat rate shipping charge will apply. This charge is subject to change based on the quantity of products purchased and/or a valid coupon code has been applied. We will attempt to send your goods via courier within 7 working days; however, if goods are unavailable or there is any other delivery related issue, delivery may take longer. Delivery times are an estimate only.

By confirming your purchase, you accept that we will not be responsible nor liable for any issues with shipping arising from, but not limited to, detail/address inaccuracies and delay from the delivery service. At our discretion, and for high quantity orders, we may include a discounted or free shipping courier delivery service.

If you wish to query a delivery, please contact us at info@apressing.com.au.

*International deliveries are not currently available through the AP Pressing website. International customers should contact AP Pressing directly by email to enquire about delivery options and pricing to international locations.
